SCRATCHED 10 YEARS
HEALED IN ONE WEEKFINALLY CURED BY USING ONE
DOLLAR BOTTLE OF AMOLOX.

One bottle of Amolox cured me. For ten years I suffered with eczema of the scalp, my head being covered with scales and scabs. I tried everything recommended and everything advertised without relief until I bought a bottle of Amolox. It relieved the itching at once and one bottle entirely cured my eczema. I heartily and cheerfully recommend it to all sufferers of this horrible disease.

James W. Seward, Brazil, Indiana. Amolox ointment will quickly remove pimples on the face, blackheads, and clear up a muddy complexion. Trial size, 50c. Bad cases of eczema, psoriasis, salt rheum, tetter, lasting for years, require both Amolox solution and ointment to effect a cure. Recommended and guaranteed by Wells-Haymaker Co.—Advertisement.

AS A WOMAN SEES IT

By RHETA CHILDE DORE.

THE ANTI-SUFFRAGE LOST OPPORTUNITY.

One of the most curious spectacles lately observed is that of anti-suffrage women sending deputations to the president, speaking before congressional committees, and threatening, as an offset to the activities of the direct actionist among the suffrage women, to become themselves political workers.

The suffrage, however, should be the last to discourage these activities on the part of the anti. Every public appearance made by the anti-suffragists is an open confession of failure.

The credo of the anti-suffragists is "leave it to the men." Their whole contention is that politics is entirely the affair of the masculine half of the population. Whatever the men, in their wisdom, decide is good for the community the women are bound to accept. Even war, which bears at least as hard on women as on men, is a matter for men's discretion.

Therefore when anti-suffragists make public appearance and protest against something they fear that men are about to do, they go back on their own basic principle. If men are to be trusted to make laws governing the hours of women's work, the wages they are to receive, the factory and shop conditions, including fire risks, under which they earn their bread, if men are fit to decide all other conditions of women's lives, surely they are fit to decide what women's political responsibilities shall be.

The anti-suffragists claim to be the great silent majority of women. The claim would have had more weight if they had consistently remained silent. If they had realized the power that lies in silence, if they had, from the first, bent all their brains and energies to the task of learning to use that power, they would have possessed a weapon ominous indeed, and one which the suffragists might well have feared.

Of course, this was an impossible policy to follow. When the suffragists make demands on a congressional committee the anti have to leave their cherished seclusion in order to make counter demands. But if the chairman of a committee should say to them: "Go home, ladies, and let us settle this matter. It is no more your affair than the tariff on your woollens. If we decide that you ought to vote it is your duty, as good anti-suffragists, to submit," what then would the anti have to offer in reply?

SALTS IF BACKACHE
AND KIDNEYS HURTStop Eating Meat for a While if
Your Bladder is Troubling
You.

When you wake up with backache and dull misery in the kidney region it generally means you have been eating too much meat, says a well-known authority. Meat forms uric acid which overworks the kidneys in their effort to filter it from the blood and they become sort of paralyzed and loggy. When your kidneys get sluggish and clog you must relieve them, like you relieve your bowels; removing all the body's urinous waste else you have backache, sick headache, dizzy spells; your stomach sour tongue is coated, and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment, channels often get sore, water scalds and you are obliged to seek relief two or three times during the night.

Either consult a good, reliable physician at once or get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will tell the fact. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys, also to neutralize acids in the urine so it no longer irritates, thus ending bladder weakness.

Jad Salts is a life saver for regular meat eaters. It is inexpensive, cannot injure and makes a delightful, effervescent lithia-water drink.—Advertisement.

SALEM, Dec. 28.—An appropriate program was rendered at the Baptist church Christmas night. The opening song was by a double quartet, and a recitation, "Christmas Wish," by Elizabeth Russell. The entire primary department sang a song, "Merry Christmas." Various recitations appropriate to the occasion were given by the primary pupils that delighted all present.

Classes from the junior department also had parts and a solo by William R. Heaton, of Parkersburg, and the exercises closed with a pantomime by Miss Mildred Wilkinson's class.

Mr. and Mrs. W. T. Heaton, of Parkersburg, who visited Mrs. Heaton's parents, Mr. and Mrs. J. F. Randolph, returned home Monday.

Avril McIntire spent a few days recently at home.

The public schools are closed for the holiday vacation that will end next Monday.

W. J. VANSOTER
WAS IN BED FOR
WEEKS AT A TIMEBut after 15 Years of Suffering
Nerve-Worth Came Wonder-
fully to the Rescue.

This newest local tribute to Nerve-Worth's powers came a few days ago to the Burke drug store from W. J. Vansoter, who works at the Norwood gas house. It merits careful reading.

"Burke's Drug Store:—I have suffered with extreme nervousness for 15 years, so severe I'd have to stay in bed for weeks at a time. My stomach was full of gas and my bowels were constipated. Never would without taking something. Pains in back and under the shoulders. Thought my lungs were affected.

"Have taken one bottle of Nerve-Worth. I got results. After taking it three days pains left me, stomach better, sleep good, gases about gone. I'm better than I've been for years. (Signed)

"W. J. VANSOTER."

Here is another instance in which a sufferer thought vital organs were affected when it was a case merely of debilitated nerves. Nerve-Worth, which goes to the root of nervous ills, often quiets the fears its users had felt by proving that their trouble went no farther than the nerves.

See the demonstrator at Burke's. Get a sample dose. Buy a bottle of Nerve-Worth. Dollar back if it doesn't help you.—Advertisement.
